About Me

Hello! I am **Shivnandini**, a second-year B.Tech student in Electronics and Communication Engineering (ECE). I am passionate about technology, web development, and continuous learning.

Currently, I am improving my skills in HTML, CSS, JavaScript, and core ECE subjects while preparing for GATE. My goal is to become a skilled engineer by building real-world projects.

Education

My educational background
KIPM College of Engineering and technology
Btech/Electronics and Communication Engineering
2025 - 2028
Shri Lal Bahadur Shastri Basti
